Please Note:

We will be upgrading our network infrastructure on Saturday, February 19, from 8:00 am–1:00 pm EST. Cranel.com and Shopcranel.com may experience downtime during this upgrade period.

Cranel's Portable Device Services

Fast • Flexible • Competitive Pricing

Cranel offers an affordable solution to the costly replacement of the portable devices your customers rely on daily. Our services on mobile computing devices allow resellers to maintain service annuity profitability while helping customers extend the equipment's usable life and lower customer maintenance costs. Let us show you how we can help extend the life of your customers' portable devices working for them. [Visit our website](#) to learn more.

HARDWARE

EPSON
EXCEED YOUR VISION

Epson Case Study

Challenge: Improve speed and accuracy of patient intake data

Solution: Epson "bubble" intake forms
Healthcare providers needed to save time inputting patient data into an EHR and streamlining the information across multiple departments, allowing more time for patient engagement. The result? Epson's bubble intake forms slashed data entry times from 10–15 minutes to 10–15 seconds.

SLASH Data Entry Times
From **10–15 Minutes**
to
10–15 SECONDS

Kodak alaris

KODAK ALARIS FADGI-COMPLIANT SCANNERS

Federal Agencies Digital Guidelines Initiative and You

Kodak Alaris can help you and your customers get ahead of the FADGI mandate deadline with their Kodak i5250 and i5850 Scanner models with built-in FADGI compliance—now available to request through Kodak's Evaluation program.

This mandate goes into effect on January 1, 2023. Starting on this date, paper records will not be accepted; all records submitted to NARA and the Library of Congress must be in digital form.

Kodak Alaris Rewards Program

- Earn up to **\$1,500** per qualifying unit sold!
- Reseller Sales Representatives can now earn a SPIFF for sales of eligible Kodak products

*Eligibility and terms and conditions will be available soon, but note that a company principal will need to approve participation.

Interested in learning more about the FADGI-Compliant scanners or the rewards program? Contact your Cranel Sales Rep at 800.288.3475.

SOFTWARE

KOFAX

Deploying Kofax ControlSuite in a Private Cloud Environment

Enterprises are recognizing the advantages of cloud services and the associated benefits including significant cost savings, flexibility and agility required to keep up with dynamic market conditions. Although print and capture technologies haven't typically been prioritized for cloud-based deployments, they're a natural extension of a cloud services offering and an increasing trend.
