HARDWARE

Canon

Canon CR-120N

Fast and Precise Compact Check Transport

The Canon CR-120N has a simple and easy to use compact design. With reliable item handling and a direct network connectivity interface, the CR-120N enhances productivity and promotes adaptability for financial applications. This scanner is fast and efficient, scanning up to 120 items per minute with a 150-item Automatic Document Feeder. The built-in ultrasonic sensor also helps prevent misfeeds, and image processing features such as Fine Text Filtering allow for sharper image capture to deliver better Optical Character Recognition accuracy.
