Canon

Canon DR-G2140
Advanced Document Scanner

5 Advantages of opting for a Canon Document Scanner

- Quality and Reliability**
 - Canon is renowned for its imaging technology, and this extends to their scanners.
 - Built to withstand regular use and deliver consistent performance.
- Innovative Technology**
 - Canon incorporates advanced image processing algorithms, intelligent document feed mechanisms, and automatic detection of document sizes/types to enhance the scanning process and improve overall efficiency.
- Wide Range of Models**
 - Canon offers a diverse lineup ranging from compact portable models to high-speed production scanners.
 - The variety ensures you can find a scanner that suits your specific requirements.
- Ease of Use and Compatibility**
 - Designed with user-friendliness in mind, Canon devices come with intuitive interfaces, easy-to-understand software, and clear set-up instructions.
 - Canon scanners typically work well with various operating systems and software applications ensuring a seamless integration into your existing workflow.
- Support and Resources**
 - Canon provides solid customer support, including online resources, manuals, and technical assistance.

Xerox Thin Scanning Solutions

The future of document scanning

Benefits of Thin Scanning Solutions:

- No software installation; true thin client
- Network connectivity; no USB or PC required
- Secure browser-based scanning
- Centralized scanner management
- Advanced security with digital signature
- Pull-scanning capability
- Single Sign-On with Active Directory/LDAP
- Scanner, user and workflow management
- Output connectors (email, SFTP & folder)
- APIs and SDKs available for integration
- Fast deployment; device registration in minutes

Thin Scanning Solutions Options

Xerox® D70n Thin Scanning Solution

Departmental/workgroup scanner, ideal for distributed capture use cases

- Speeds up to 90 ppm / 180 ipm
- 100-sheet ADF
- 15,000 page daily duty cycle
- Visioneer VAST Network® technology with TWAIN Direct®
- Thin Scanner browser-based administration & Cloud Capture
- Thin Scanner web hosting & remote management (3-year or 5-year options)
- 3 standard connectors (SFTP, email, file folder)
- Automated activity reporting
- Optional multifactor biometric authentication

Xerox® N60w Thin Scanning Solution

Touchscreen scanner, perfect for web and push scanning for hybrid workflows

- Speeds up to 65 ppm / 130 ipm
- 100-sheet ADF
- 10,000-page daily duty cycle
- Visioneer VAST Network® technology with TWAIN Direct®
- Thin Scanner browser-based administration & cloud capture
- Thin Scanner web hosting & remote management (3-year or 5-year options)
- 3 standard connectors (SFTP, email, file folder)
- Automated activity reporting
- Optional multifactor biometric authentication

Xerox® W130 Thin Scanning Solution

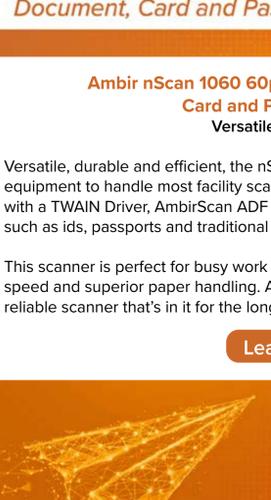

Production scanner, recommended for large volume web scanning and quick digitizing needs

- Speeds up to 135 ppm / 270 ipm
- 500-sheet ADF
- 100,000-page daily duty cycle
- Visioneer VAST Network® technology with TWAIN Direct®
- Thin Scanner browser-based administration & cloud capture
- Thin Scanner web hosting & remote management (3-year or 5-year options)
- 3 standard connectors (SFTP, email, file folder)
- Automated activity reporting
- Optional multifactor biometric authentication
