## Software Solutions From Kodak alaris

**Superior Information Capture to Speed Up Business Processes**  
Wipe out delays and wait times with accurate, smooth scanning backed by renowned service. Kodak Alaris image-optimizing Perfect Page scanning technology accurately unlocks information in even damaged documents, while SurePath paper handling reduces manual steps and misfeeds.

**Integrated Software for Workflow Automation**  
Automate business processes with smart information capture technology that works right out of the box and plays well with any business processes.

- **KODAK Capture Pro Software** – Capture and index critical data and distribute smarter information to ECM systems and business applications to streamline workflows and processes
- **Smart Touch Technology** – Eliminate complicated multi-step scanning processes with one-touch simplicity
- **KODAK Info Input Solution** – Use web-based and mobile solutions designed to help business simplify document capture from MFPs, emails, or scanners and speed the flow of information to business processes

**Custom Solutions for Business Transformations**  
Wherever your customer is on the road to digital transformation, Kodak Alaris and its diverse ecosystem of partners can integrate information capture software with their applications to support strategic goals.

For more information, please contact your Cranel sales rep at **800-288-3475**.

### Epson WorkForce DS-50000 Large-Format Sheet-fed, Color Document and Image Scanner

The large-format scanner built for professionals.

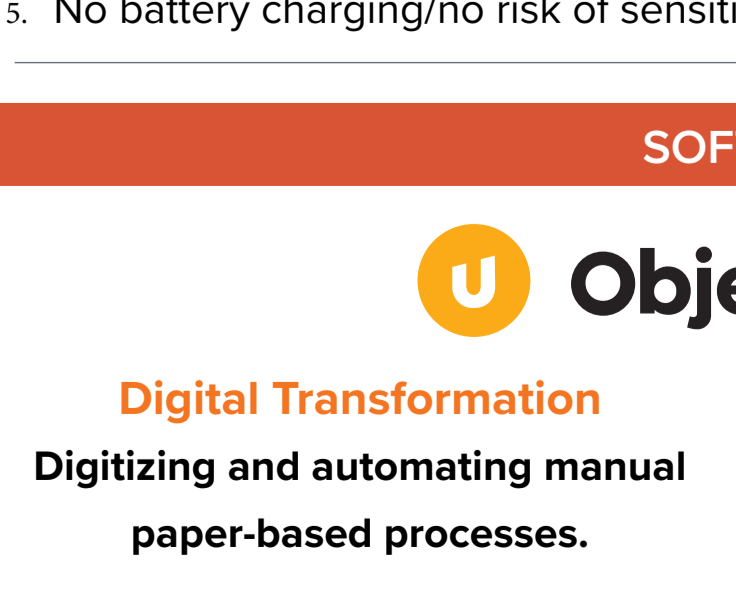

Now, your workgroup can easily scan large-size documents, hard-bound books and more, all without breaking the bottom line. The affordable WorkForce DS-50000 delivers remarkable scans from business card size up to 11.7" x 17". Scan important oversized documents like drawings or maps, or other odd-sized items. Whatever you scan, this hard-working performer consistently delivers vivid colors and crisp, sharp text thanks to 600 dpi resolution scanning.

- Capture large documents — from 11.7" x 17" to as small as business card size
- Achieve remarkable results — up to 600 dpi resolution for crisp, sharp text
- Scan to any PC on the local network — with the optional Network Module
- Scan to popular cloud services — scan with SharePoint, Evernote and more
- Scan to searchable PDF — save scanned documents as PDF files
