HARDWARE

EPSON®

Epson DS-870
Document Scanners

Epson DS-870

The Epson DS-870 offers fast scanning speeds of up to 65 ppm with a high capacity 100-sheet ADF. Ideal use cases include:

- **High-volume office scanning:** Ideal for law firms, financial institutions, or healthcare providers that need to digitize large batches of documents quickly and reliably.
- **Archiving and records management:** Great for converting paper files into searchable digital archives thanks to its high speed and advanced image processing features.
- **Multi-size and mixed document scanning:** Perfect for businesses that handle various document types—like receipts, IDs, contracts, and forms—all in one scan session.

SOFTWARE

Kodak alaris

Kodak Info Input Solution

Kodak Info Input Solution offers the industry’s most intuitive browser-based interface that automates and simplifies the journey from document arrival to processing quickly, accurately and reliably.

Highlights:

- **Open Intelligence™:** Gain faster time-to-value and enterprise scalability by harnessing the most powerful, advanced, and trusted AI services from Microsoft, Google, and Amazon.
- **Scalability:** Empower fast and sustainable business growth, from a single department to complex, high-volume enterprises.
- **Ease of Use:** Guarantee adoption with an intuitive drag-and-drop user interface that requires minimal training — so your UI can look exactly like the form you’re verifying.
- **Simplified Processes:** Utilize the same document processing capabilities for both digital and paper-based content.
